August 8, 2006

Thank you for attending the public information open house for STP-186-1(11), CSSTP-0006-00(900)(901), AND CSSTP-0007-00(691), DOUGLAS AND PAULDING COUNTIES, P.I. Nos. 720970, 0006900, 0006901, and 0007691, the proposed widening and reconstruction of SR 92 from just north of Durelee Lane to Nebo Road. In this handout package you will find a project description, location map and comment card.

As you enter the room, you will notice displays of the proposed project. Department of Transportation (DOT) representatives, who can be identified by the name tags they are wearing, are available to discuss the project and answer your questions. Please take this opportunity to discuss the project with a DOT representative. There will be no formal presentation.

A court reporter will be available for those persons who would like to make a verbal statement about the project. You may also complete a comment card and deposit it into the box provided here or send in written comments about the project until August 22, 2006. Written comments should be sent to Mr. Harvey D. Keepler, State Environmental/Location Engineer, Georgia Department of Transportation, 3993 Aviation Circle, Atlanta, Georgia 30336-1593. Comments can also be made via the web at www.dot.state.ga.us. Click on **Public Outreach** from the list of Featured Links. All comments will be made a part of the project record. We hope you will take advantage of one of these opportunities to let the Department know your view of the proposal.

The displays and plans will be available for review for ten days after the public information open house at the Georgia Department of Transportation Office of Environment/Location, located at 3993 Aviation Circle, Atlanta, the Douglasville City Hall located at the 6695 Church Street, Douglasville, and the Paulding County Department of Transportation located at 329 Industrial Way North, Dallas. A copy of all comments received will be available for public review at these same locations as soon as compilation is completed.

Again, thank you for attending this public information open house and for giving us your comments.

Sincerely,

A handwritten signature in cursive script that reads "Buddy Gratton".

Buddy Gratton, P.E.
Director of Preconstruction

**STP-186-1(11), CSSTP-0006-00(900)(901), and CSSTP-0007-00(691)
Douglas and Paulding Counties
P.I. Numbers 720970, 0006900, 0006901, and 0007691**

The project is a proposal to widen and reconstruct existing SR 92 from a point just south of Durelee Lane in the City of Douglasville, Douglas County, to Nebo Road in the City of Hiram, Paulding County. From Durelee Lane to just south of Malone Road, the proposed roadway would be constructed on new location and would provide a grade separated crossing at US 78/Bankhead Highway, the railroad, and Strickland Street. The total project length would be approximately 8.7 miles.

From Durelee Lane to Malone Road, the proposed roadway would consist of six 12-foot travel lanes, three in each direction, separated by a 20-foot raised median with curb, gutter, and sidewalks. From Malone Road to Bill Carruth Parkway, SR 92 would consist of six 12-foot travel lanes, three in each direction, separated by a 24-foot raised median with 10-foot shoulders, 4-foot paved. From Bill Carruth Parkway to Nebo Road, the proposed project would consist of four 12-foot travel lanes, two in each direction, separated by a 24-foot raised median with 10-foot outside shoulders, 4-foot paved.

The proposed project would include an up-grade of the existing railroad crossing at McCarley Street and the closing of the existing at-grade railroad crossings located at Brown Street, Mozley Street, and SR 92/Dallas Highway/Campbellton Street. With the exception of the Brown Street crossing, which must be closed for staging purposed during construction, the railroad crossing closings would not occur until the new grade separated crossing and the upgraded McCarley Street crossing is open to traffic.
